Mini gateaux Class

Individual pastries merge different types of dough, creams and textures in each product. Amazing alliances of fruits, berries, chocolate and spices are displayed in these mini cakes. They are a great resource to help us quickly present an elegant dessert or combine them in a super diversified sweet buffet. During the class different kinds of pastries and dough, crispy fillings and smooth decorating creams will be prepared, using seasonal and local products.

Friday, December 8, at 05:30 p.m.
Closing Cocktail at 07:30 p.m.

Holiday pastry Class

When our table dresses up for the Holiday Season, so does our patisserie. This class focuses on the classic fruit puddings, the Christmas pudding in its Welsh version, the ginger cookies and a fresh dessert for the Holiday gathering. All the advice and tips to present our "a la maison" sweet table for the great occasion.
